

Laurence Candle Co.

*The Optimum in
Disposable
Devotional
Candles*

**Featuring the safety and versatility of
our unbreakable plastic insert system.**

Thanks to modern manufacturing techniques, Laurence can offer the finest, most comprehensive line of completely disposable devotional candles for use with or without reusable protective glass containers. Our disposable insert system burns cleaner and more consistently than those manufactured by traditional methods. Inserts eliminate glass breakage and provide easy handling and storage. Freight costs are less, too.

For maximum color and brilliance, we recommend using clear inserts with 5" and 8" glass containers, *free* and available in six stock colors. Additional colors are available on request. Glass containers provide disposable inserts with added protection, height, and a wider color selection. Disposable inserts are easy to remove, discard, and replace.

These disposable inserts are available in three sizes and colors, shown as used *without* glass containers. Colors available are ruby, blue, and clear in 3", 5", and 8" sizes.

3 inch available in clear 1597 or color 2597

5 inch available in clear 1593 or color 2593

8 inch available in clear 1596 or color 2596

Basic Disposable Candles
Can stand alone...

Or how to use them as inserts
Use clear 8" inserts to fit 8" protective
glasses, or clear 5" and 3" inserts to fit 5"
glasses. Glass containers provide added
protection and color variety.

All Laurence candle stands are affordably
priced and sized to fit your requirements.
50 light candle stand 6650
Smaller sized stands available.

Our candles are
guaranteed to fit any
candle stand or, using

Our popular Gratia Returnable Glass Devotional Candles

Laurence Candle has over three generations of quality candle crafting experience. Our long-time association with the clergy has provided us a deep appreciation of your many liturgical requirements.

Both our restricted-neck and open-top devotional candles are filled generously to meet or exceed industry standards. If quantities and freight costs permit, we will buy back or credit your account at 1.50 per dozen for all reusable containers. All our glass devotional candles fit most stands, or we will adapt your stands to accommodate our candles at no charge.

Approximate burning time for our devotional candles: 6" burn five days, 8" burn six days. Select from eight splendid colors. Special wicking ensures cleaner, steadier burning throughout candle life.
